

PRAYER FOR CHILDREN: EDUCATION SYSTEMS

“FIRST OF all, then, I admonish and urge that petitions, prayers, intercessions, and thanksgivings be offered on behalf of all men, For kings and all who are in positions of authority or high responsibility, that [outwardly] we may pass a quiet and undisturbed life [and inwardly] a peaceable one in all godliness and reverence and seriousness in every way. For such [praying] is good and right, and [it is] pleasing and acceptable to God our Savior, Who wishes all men to be saved and [increasingly] to perceive and recognize and discern and know precisely and correctly the [divine] Truth.” 1 Tim. 2:1-4 (AMP)

Thanksgivings the LORD for every believer who has chosen to enter the field of education. Ask God to bless them and fill them with His Spirit, equipping them to stand against the pressures to compromise their beliefs in the face of growing intolerance. Give them courage to reach out in kindness to those who are hurting and to inspire children to have a love for learning and seeking knowledge of the truth.

Prayers for the salvation of all men and women involved in the field of education.

Intercessions (stand in the gap) to fill those vulnerable areas in the wall so children would not be taken captive to empty philosophies that will lead them into darkness. Be willing to stand as an intercessor to pray for their protection against the deception being promoted within the field of education.
